Ron Marco
NRM Equipment Company
4771 Sweetwater Blvd.
Sugarland, TX 77479

To the NRM Company,

We at Pfizer want to thank you for being the company that keeps our company running. When you refurbished 2 of our 750 gallon sigma blade mixers last year, I must be frank "I did not expect them to perform this well" You have exceeded our expectations, and we will forever utilize your services with no doubt. Our mechanical faith is in you!

Truly yours,

A handwritten signature in black ink that reads "M. Speilburg".

Engineering developer.
